

**Scott County  
Solo & Ensemble Festival  
School Registration Form  
Page 1**

Scott County Solo & Ensemble Festival will be held at Scott High School (Huntsville, TN) on **Saturday, March 12th, 2015**. There is also limited space available on the evening of Thursday, March 5th if you cannot make the Saturday date (please indicate in the "comments" section, if you need this date). This form with payment must be postmarked by **February 20th**. Students may enter no more than two performances. There is no limit on ensemble size as long as all participants have paid their registration fee. All performances must bring one score copy for the judge on the day of the event (originals not necessary) - we cannot guarantee access to a copy machine that day, so please bring your own copies. If a performance has piano or CD accompaniment please be sure to mark it on the form. Piano accompanists will not receive a score or medal unless they have registered and paid a fee for the performance. We will have a xylophone and four timpani available for performance if required (please indicate in "comments"). If you require some other large piece of equipment, please indicate in the comments, and we will try to accommodate.
