

**Scott County
Solo & Ensemble Festival
School Registration Form
Page 1**

Scott County Solo & Ensemble Festival will be held at Burchfield Elementary School (Oneida, TN) on **Friday March 8, 2019**. This form with payment are due by **March 1st**. Students may enter no more than two performances. There is no limit on ensemble size as long as all participants have paid their registration fee. All performances must bring one score copy for the judge on the day of the event (originals not necessary) - we cannot guarantee access to a copy machine that day, so please bring your own copies. Ensembles cannot be made up of students from different levels (beginning, advanced, high school - see next page). Performances must be school band instruments (woodwind, brass or percussion), however other instruments (piano, guitar, etc.) are allowed if part of an ensemble with band instruments. If a performance has piano or CD accompaniment please be sure to mark it on the form. Piano accompanists will not receive a score or medal unless they have registered and paid a fee for the performance. We will have a marimba, xylophone, vibraphone, and two timpani available for performance if required (please indicate in "comments"). If you require some other large piece of equipment, please indicate in the comments, and we will try to accommodate.
